February 8, 2023

We have declared 2023, as the Year of Igwa. The Lenten Appeal this year will be towards St Joseph Secunda, to assist in building the church structure. We need to hold each other's hands during these most trying times. I know that this is difficult because of the economic situation most people find themselves, but I ask you to be generous. Perhaps we might see our giving as an expression of gratitude for the blessings that we so easily take for granted.

The giving will help with the ministry of presence in that area of Secunda

Yours in Christ,
