Notice to all Parishioners, Family and Friends

**Re: Admission for use of church premises:**

Parishioners, family, and friends note that the council took a decision in their previous meeting, this is as a result of health and safety measures for both human beings and the church premises.

From the 1<sup>st</sup> of July 2022, anyone wanting to use the church premises will have to get permission from the office. No one is allowed to instruct Ace to open or close for them unless approved by Mrs Patricia Lendis-Hartnick our administrator. In case approval and or permission was not sought during working hours, church wardens should be consulted for permission to use the premises. Further note that no person will be allowed to enter the premises at short notice.

We know that we can count on all your support as St Francis Parishioners

God bless you all

Kind Regards,

**The Parish Council of St Francis Anglican Church**
